

JOB VACANCY: Curriculum Developer (Literacy)

Company: EduReach Sierra Leone

Location: Freetown, Sierra Leone

Employment Type: Part-Time / Consultant

Role Summary EduReach is hiring a creative Curriculum Developer to design supplementary reading materials for primary school students. You will work with our pedagogy team to create culturally relevant stories and exercises that boost literacy rates in rural areas.

Key Responsibilities

- Develop lesson plans and student workbooks for Grades 1-3.
- Review and adapt existing materials to the local context.
- Conduct pilot testing of new materials in select schools.
- Train master teachers on how to use new resources effectively.

Qualifications

- Degree in Early Childhood Education or Linguistics.
- Proven portfolio of educational content creation.
- Excellent writing skills in English.
